

NPORS N001 Industrial Counterbalanced Lift Truck

Accreditation: NPORS

Course Duration: Novice 5 Days & Experienced Worker Tests 1 Day

Card Validity: Traditional - 5 Years/Trained Operator - 2 Years

Grant: Grant Available

Overview

This course is aimed at candidates that require the knowledge and practical skills to operate a industrial counterbalance lift truck.

Entry Requirements

NPORS CSCS – Candidates must have achieved the relevant CITB Health, Safety & Environment (HS&E) touch-screen-test within 2 years.

Good understanding of spoken and written English.

Course Content

- Understand the industry, the dangers of working in the industry and their responsibilities as a plant operator
- Understand the manufacturer's handbook for the particular machine to be used
- Locate and identify the major components of the machine and explain their functions
- Locate and identify steering, driving and braking controls and explain their functions
- Conduct all pre-operational checks in accordance with manufacturer's and legislative requirements
- Safely mount and dismount the machine
- Start and stop the engine and safely move the machine off and stop it safely
- Configure the machine for travel and manoeuvre it safely laden and unladen, in open and confined areas
- Conduct all necessary safety checks at the work area
- Manoeuvre the machine to the work area and correctly configure in readiness to carry out lifting and load handling tasks

- Carry out lifting and load handling tasks
- Lift and transfer loads accurately and safely at different locations
- Load and unload external transport safely
- Fit, adjust and or remove attachments
- Demonstrate knowledge and understanding of loading and unloading procedures for machine transportation
- Carry out all end of shift and shut down procedures

Assessment

- Novice - Five (5) Days – Classroom-based and Practical Training and testing
- Experienced Worker Tests - One (1) Day – Theory and Practical Tests

Certification

Successful candidates will be issued with an NPORS Traditional Operator card (valid for 5 years) or an NPORS Red Trained Operator card (valid for 2 years).

Grants

CITB grants are available - please speak to one of our team for further information.

Next Steps

NPORS Traditional Card – There are no requirements to complete an NVQ, a five year card is issued and after five years reassessment is required.

To upgrade your card to Blue, you will need to complete the Level 2 NVQ Certificate in Plant Operations – Fork Lift Trucks and an Operatives Health, Safety and Environment Test completed within the last 2 years.
